AT A GLANCE

What started as a four-person workshop in a downtown Denver loft in 1997 led by founders Andrea Dupree and Michael Henry has grown into something pretty remarkable. In June of 2023, a week before Lit Fest, Lighthouse moved into our forever home in the Clayton neighborhood. We welcomed old friends and new ones and had one of our most successful years yet. Here's a glance at 2023.

IN-HOUSE PROGRAMS

The mission of Lighthouse Writers Workshop is to provide the highest caliber of artistic education, support, and community for writers and readers in the Rocky Mountain region and beyond. We offer adult and youth workshops and events for every level of writer.
